ABOUT US

Incorporated in 1957, we are a pioneering medical equipment manufacturer, exporter and importer. Being a part of the healthcare industry for more than 60 years now, we understand the importance of quality and consistency and leave no scope for delinquencies. We incessantly innovate to better the experience of our customers and provide support with an unmatched after sales service.

We, at Naulakha Industries aim to appease our clients through two parallel objectives: delivering affordable and accessible medical components and equipment to all parts of the world; and discovering, developing and commercializing innovative products that satisfy unmet medical needs.

Medanta, Apollo, Max Healthcare, Fortis, Sir Ganga Ram Hospital, Rajiv Gandhi Cancer Institute are few of our top clients.
